### **Annual SYNGAP1 Golf Classic and Silent Auction**

Our children need your help!

**Bridge the Gap – SYNGAP Education and Research Foundation (501(c) 3)** is a non-profit organization whose mission is to serve, educate, and fund research for families coping with the effects of SYNGAP1 mutations.

We are hosting our **Third Annual SYNGAP1 Golf Classic and Silent Auction** to be held on **Thursday, April 4, 2018** at the **Blackhorse Golf Club, 12205 FRY ROAD CYPRESS, TX 77433** at a **8:00am Shotgun Start**. In previous years we have had a great turn out and successful event. We hope that you can help this year's events also be a huge success.

Your generous contribution will be used for life changing programs that will benefit children with rare diseases. Our international outreach for SYNGAP1 children gathers critical information, which is needed to drive research towards more immediate therapeutic solutions.

**Bridge the Gap-SYNGAP Education and Research Foundation's** mission is to improve the quality of life for people affected by SYNGAP1 and provide family support, accelerating research and raising awareness. A genetic mutation in the gene SYNGAP1 results in non-syndromic intellectual disability ranging from moderate to severe. Ninety-four percent of the children have epilepsy and can be associated with attention deficits, impulsivity, and/or mood disorders. SYNGAP1 is one of the top single gene mutations linked to autism worldwide. Every child with SYNGAP1 provides information that can guide us to treatments that will not only help our own patient population, but millions with neurodevelopmental disabilities.

We invite **You** to join us as a sponsor for this event by choosing from one of our **“Sponsorship Opportunity Levels”** (\$200- \$7,500) and/or supporting us through **donations of various prizes and silent auction items.**

By being a sponsor you will be promoting your company to a group of people who are very loyal to its sponsors, as well as to the many professionals who will be participating at the golf tournament itself. Companies like yours make available the resources that enrich our education and research programs and we are forever grateful.

We are anticipating a highly successful and well-attended Golf Classic Tournament. Show **Bridge the Gap – SYNGAP Education and Research Foundation's** friends, neighbors, and colleagues your company's commitment to finding better treatments and therapies for our children suffering from the debilitating effects of SYNGAP1 mutations.

#### **To Become a Sponsor:**

Email: [admin@bridgesyngap.org](mailto:admin@bridgesyngap.org)

#### **Make Checks Payable to:**

Bridge the Gap – SYNGAP Education and Research Foundation

Tax ID# 47-2459997

#### **Send Checks or Pay Online:**

15319 Redbud Berry Way
