CONFERENCE SPONSORSHIP OPPORTUNITIES
As a member of the healthcare industry, partnering with patient advocacy communities is one of the most effective ways to communicate with your primary audience and share information, one-to-one. And, for those companies whose products and services fulfill the needs of patients with neurological disorders such as SYNGAP1 or variants of the condition, the International SYNGAP1 Conferences is an ideal opportunity to educate and inspire patients, scientists and clinicians worldwide to participate in research.

WHY SPONSOR BRIDGE THE GAP – SYNGAP ERF INTERNATIONAL SYNGAP1 CONFERENCE?

It’s the next step in Bridge the Gap- SYNGAP ERF journey of support, education, research and advocacy. Our International SYNGAP1 Conference, presented by the Foundation in both 2016 and 2018, are a wonderful way for all stakeholders to meet with other professionals and families, build a network, and meet to discuss the current research and future prospective for treatments for SYNGAP1. We anticipate this to be our largest International SYNGAP1 Conference yet, bringing researcher and clinicians from all over the world. As always, all program sessions are led by our Global Medical Advisory Board Members, physicians from local SYNGAP1 Centers of Excellence, and professionals in areas related to our conditions and members’ needs.

WHAT CAN A SPONSORSHIP DO FOR YOU?

› Increase public awareness and distinction from your competitors
› Provide community recognition as a caring corporate citizen
› Unique cross marketing opportunities such as sampling and on-site displays
› Demonstrate your commitment to your community through your tax-deductible sponsorship
› Media recognition opportunities including print and internet

Benefits of sponsoring our events also include increased brand awareness through direct contact with our members, recognition as a caring industry partner on a national and local level, and acknowledgement in all communication and branding (National Sponsorships) and local branding and marketing (Presenting Sponsors).
